Saartje is a true Sofa Sovereign

The house belongs to Saartje. You just pay the rent.

After careful analysis, Saartje has reached a firm conclusion: royalty, obviously. The sofa is the throne, the windowsill is the balcony for public addresses, and you are staff: pleasant, but slow with the kibble. Criticism is not accepted. Compliments are, ideally daily.

DISTINGUISHING FEATURE
With a mastermind in the background: thinking is occurring.

CAREER STAGE
Seasoned professional. Knows exactly what she's doing.

TERRITORY
Indoor cat: the entire territory fits inside four walls, and Saartje knows every inch.
